

Valerie van Mulukom

Coventry University Cheetah Rd
Centre for Trust, Peace and Social Relations Coventry CV1 2TL
Brain, Belief, and Behaviour Lab United Kingdom

E-mail: valerie.vanmulukom@coventry.ac.uk

ORCID: 0000-0002-0549-7365

Education

- 2009-2013 PhD in Psychology, University of Auckland (2014)
Dean's List in recognition of excellence achieved with the PhD thesis
- 2007-2009 MPhil in Linguistics, Utrecht University (2009)
Graduated cum laude
- 2004-2007 BA in Language and Culture studies, Utrecht University (2007)
Graduated cum laude

Academic employment

- 2021-curr. Assistant Professor, *Centre for Trust, Peace and Social Relations*,
Coventry University (Jun-).
- 2016-curr. Research Affiliate, *Centre for the Study of Social Cohesion*, University of
Oxford (Apr-).
- 2019-2021 Research Fellow, *Centre for Trust, Peace and Social Relations*, Coventry
University (Aug-May).
- 2016-2019 Research Associate, *Brain, Belief, and Behaviour Lab*, Centre for
Advances in Behavioural Science, Coventry University (Mar-Aug).
- 2015-2016 Postdoctoral Researcher, *Institute of Cognitive and Evolutionary
Anthropology*, University of Oxford (Jul-Mar).
- 2014-2015 Postdoctoral Researcher, '*Religion, Cognition and Culture*' unit and the
Interacting Minds Centre, Aarhus University (Sep-Mar).
- 2013 Research Assistant, *Memory Lab*, University of Auckland.
- 2011-2012 Tutor, *School of Psychology*, University of Auckland.
- 2009 Trainee, *Cognitive Neuroscience of Language laboratory*, University of
Maryland, Washington D.C. (Jan-Mar).
- 2008 Student Assistant, *Utrecht Institute of Linguistics*, Utrecht University.
- 2007 Internship, *European Dialect Syntax project*, Meertens Institute,
Amsterdam.

Grants

1. 'Spiritual Understanding in a Secular Age: Engaging Art as Religious Ritual'. Art Seeking Understanding grant, Templeton Religious Trust, 2021-2022. PIs: Dr Lexi Eikelboom & Dr David Newheiser (Australian Catholic University). Role: Research Fellow (\$230,267 USD).
2. 'Women Leaving Religion' Marie Sklodowska-Curie Individual Fellowship awarded to Nella van den Brandt. Role: Mentor (together with Prof. Kirstin Aune).
3. 'Mindfulness Meditation: A Secular Religion for Unbelievers?' Understanding Unbelief RFP1 Research Grant, University of Kent, awarded to Masoumeh (Sara) Rahmani, Miguel Farias, and Valerie van Mulukom, 2017-2019. Role: Co-PI (£59,535).
4. 'Secular Worldviews - Exploring the Belief Replacement Hypothesis: What secular beliefs do non-believers have, and what psychological functions do they serve?' Understanding Unbelief RFP2 Early Career Award, University of Kent, 2017-2019. Role: PI (£14,929).
5. 'The Imaginative Mind: How imaginative ability supports flexible and creative thinking.' Coventry University Early Career Researcher Pump-Prime Funding Scheme, 2017-2018. Role: PI (£9,998).

Awards

1. Double finalist (2 of 4 teams) for Outstanding Research Supervisory Team Award, 2021
2. National Centre for Research Methods Training Bursary, 2018 (£560 GBP)
3. Centre for Advances in Behavioural Science travel award, 2018 (£800 GBP)
4. University of Auckland Doctoral Completion Award, 2013 (\$6,000 NZD)
5. University of Auckland Doctoral Scholarship Extension, 2012-2013 (\$12,500 NZD)
6. Finalist (top 20) University of Auckland Exposure poster competition, 2012
7. Australian Society for the Study of Brain Impairment travel award, 2011 (\$750 AUD)
8. Australasian Winter Conference on Brain Research travel award, 2010 (\$425 NZD)
9. Utrecht Institute of Linguistics-OTS travel award, 2009 (€500 EUR)

Talks

Invited talks

1. **van Mulukom, V.** (May 2021). Threat and uncertainty in the time of COVID-19: Low levels of trust and information reduce guideline compliance and increase conspiracy beliefs. Annenberg Public Policy Center (APPC) [speaker series](#), University of Pennsylvania, United States (virtual).
2. **van Mulukom, V.** (April 2020 – postponed due to COVID-19). Emerging International Leaders Programme on Freedom of Religion or Belief (FoRB), Cumberland Lodge, Windsor, UK.

Conference talks

3. **van Mulukom, V.** & Farias, M. (September 2021) Art as Ritual: A Psychological Exploration. Virtual conference talk, EuARe (European Academy of Religion) conference.
4. **van Mulukom, V.** & de Wet, M. (June 2021) Forgotten culture, ignored imagination: An evolutionary, dual-pathway cognition model of how humans navigate and make sense of reality. Virtual conference talk, Culture Conference 2021, theme 'Evolutionary Perspectives on Culture'.
5. **van Mulukom, V.** & de Wet, M. (April 2021) Interoceptive, exteroceptive, and immersive abilities contribute to acting intuition. Virtual conference talk, Society for Affective Science conference.
6. **van Mulukom, V.** (July 2020). The Psychological Impact of Lockdown During the COVID-19 Pandemic. Virtual conference talk, Social BRIDGES: Society, psychology and behaviour during and post COVID-19 lockdown, hosted by Universität der Bundeswehr, München, Germany.
7. **van Mulukom, V.** (February 2019). Belief in Psychic Ability is predicted by high levels of Intuitive Thinking & low levels of Cognitive Inhibition. Conference talk, *International Convention of Psychological Science (ICPS) 2019*, Paris, France.
8. **van Mulukom, V.** (September 2018). How Religious Rituals Become Emotional Symbols: Neurochemical and cognitive mechanisms of memory and emotion. Conference talk, *Association of Social Anthropologists conference (ASA18)* 'Sociality, matter, and the imagination: re-creating Anthropology', Oxford, UK.
9. **van Mulukom, V.** (July 2018). Secular Worldviews in World View: How do secular worldviews differ cross-culturally and what psychological functions do they have? Special panel, 'Keeping Worldviews in Mind: The Psychology and Cognitive Anthropology of Nonreligion', *Nonreligion & Secularity Research Network conference* 'Worldviews in World View: Particularizing Secularism, Secularity and Nonreligion', London, UK.
10. **van Mulukom, V.,** Rutjens, B.T. & Farias, M. (July 2018). Secular versus Religious Worldviews: Do they fulfil the same psychological functions? Conference talk, *Nonreligion & Secularity Research Network (NSRN) conference* 'Worldviews in World View: Particularizing Secularism, Secularity and Nonreligion', London, UK.
11. **van Mulukom, V.,** Rutjens, B. T. & Farias, M. (July 2018). Exploring the Belief Replacement Hypothesis: What secular beliefs do non-believers have, and what psychological functions do they serve. Workshop talk, *Understanding Unbelief workshop*, Canterbury, UK.

12. **van Mulukom, V.** (May, 2018). Associations between analytical/intuitive thinking and religious beliefs. Meeting talk, *Nordic Network for the Cognitive Science of Religion* (NNCSR) meeting, Aarhus, Denmark.
13. **van Mulukom, V.**, Jong, J., & Farias, M. (August 2017). Examining the relationship between intuitive thinking and supernatural belief through a cognitive style training. Conference talk, *International Association of the Psychology of Religion* (IAPR) conference, Hamar, Norway.
14. **van Mulukom, V.**, Farias, M. (March 2017). The role of cognitive inhibition in eliciting supernatural disbelief – a neurostimulation study. Conference talk, *International Convention of Psychological Science* (ICPS) 2017, Vienna, Austria.
15. Jong, J., **van Mulukom, V.**, Coleman, T., & Farias, M. (July 2016). What do atheists believe? Some meaningful answers to a silly question. Conference talk (presented by VVM), *2016 Ian Ramsey Centre Conference: A Postsecular Age? New Narratives of Religion, Science, and Society*, Oxford, United Kingdom.
16. **van Mulukom, V.**, Schacter, D.L., Corballis, M.C., & Addis, D.R. (April 2012). Imagining the implausible: the effect of plausibility on future event imagination. Conference talk, *KiwiCAM* (Cognition and Memory) conference, Victoria University, Wellington, New Zealand.
17. **van Mulukom, V.**, Schacter, D.L., Corballis, M.C., & Addis, D.R. (September 2010). Medial temporal responses to the novelty of future simulations. Conference talk, *Australasian Winter Conference on Brain Research (AWCBBR)*, Wanaka, New Zealand.

Seminars & other talks

18. **van Mulukom, V.** (February 2021). The psychology of intuition: Interactions between interoception, trust, and belief. Seminar, Oxford Brookes University psychology seminar, Oxford, United Kingdom (virtual).
19. **van Mulukom, V.** (October 2019). Beyond the Here & Now: How the cognitive science of imagination can inform the study of religion. Talk, Workshop on Religion, Belief, and Experience for Prof. Tanya Luhrmann (Stanford University), School of Anthropology and Museum Ethnography, University of Oxford, United Kingdom.
20. **van Mulukom, V.** (April 2016). Intuition. Seminar, Brain, Belief and Behaviour group, Psychology, Behaviour and Achievement research centre, Coventry University, UK.
21. **van Mulukom, V.** (June 2015). Future directions: Dysphoria, narrative and reflection. Workshop presentation, Workshop on Ritual, Memory and Identity, Institute of Cognitive and Evolutionary Anthropology, University of Oxford, United Kingdom.

22. **van Mulukom, V.** (February 2015). Future thought in religion: Towards a social psychology of prophecies and visions. Seminar, Religion, Cognition and Culture unit, Aarhus University, Denmark.
23. **van Mulukom, V.** (February 2015). Remembering the heat of the moment: Specific and emotional memories of fire-walking may support self and directive functions. AGHOK meeting, Centre on Autobiographical Memory Research, Aarhus University, Denmark.
24. **van Mulukom, V.** (December 2014). Remembering religious rituals: Contributions of memory research to the cognitive science of religion. Seminar, Religion, Cognition and Culture unit, Aarhus University, Denmark.
25. **van Mulukom, V.** (March 2014). Exploring the past and future with episodic memory: investigations in episodic simulation and religious rituals. Seminar, Religion, Cognition and Culture unit, Aarhus University, Denmark.
26. **van Mulukom, V.** (May 2013). Mental time travel: Cognitive, neural and evolutionary aspects. Seminar, Institute of Cognitive and Evolutionary Anthropology, University of Oxford, United Kingdom.
27. **van Mulukom, V., Addis, D.R.** (October 2012). Effects of plausibility on episodic simulation. Departmental talk, CogNeuro seminars, School of Psychology, the University of Auckland, New Zealand.
28. **van Mulukom, V., Schacter, D.L., Corballis, M.C., & Addis, D.R.** (May 2012). Imagining the future: effects of recombination and plausibility. Talk, seminar for Prof. Alison Gopnik (University of California, Berkeley), University of Auckland, New Zealand.
29. **van Mulukom, V., Addis, D.R.** (March 2012). Imagining the implausible. Research presentation, Department of Psychology, Harvard University, United States.
30. **van Mulukom, V., Addis, D. R.** (November 2011). Any novelty in future event simulations? Examining potential roles of the hippocampus and amygdala with fMRI. Departmental talk, given for the CogNeuro seminars at Department of Psychology, the University of Auckland, New Zealand.

Public talks

1. **van Mulukom, V.** (September 2021). Secular worldviews around the world: Psychology research on non-religious beliefs and worldviews in 10 countries. Presentation for Birmingham Humanists (21 September 2021, virtual).
2. **van Mulukom, V.** (January 2021). COVID-19 conspiracies: The danger of low levels of trust and information in an environment of threat and uncertainty. Presentation for LGA

- (Local Government Association) Safer and Stronger Communities Board (14 January 2021, virtual).
3. **van Mulukom, V.** (December 2020). COVID-19 conspiracies: The danger of low levels of trust and information in an environment of threat and uncertainty. Seminar of SIGCE (Special Interest Group on Countering Extremism): 'Conspiracy theories and COVID: From the fringes to the mainstream' (9 December 2020, virtual).
 4. **van Mulukom, V.** (May 2019) The Cognitive Science of Creativity and Imagination. Public talk, *Pint of Science festival* (20-22 May 2019), theme: Beautiful Mind. Coventry, United Kingdom.

Poster presentations

1. **van Mulukom, V.** (June 2018). Individual Differences in Imaginative Ability. Poster, *Center on Autobiographical Memory Research (CON AMORE) meeting* 'Autobiographical Memory & the Self', Aarhus, Denmark.
2. **van Mulukom, V.**, Muzzolini, B., Willard, A., & Whitehouse, H. (June 2018). Poster, Autobiographical Memory Pathway from Shared Dysphoria to Identity Fusion. *Center on Autobiographical Memory Research (CON AMORE) meeting* 'Autobiographical Memory & the Self', Aarhus, Denmark.
3. **van Mulukom, V.**, Jong, J., & Whitehouse, H. (May 2016). The Event Opacity Scale and the event-specific Rumination-Reflection Scale. Poster, *Cognitive and Neural Mechanisms of Human Memory*, Cluj-Napoca, Romania.
4. **van Mulukom, V.** (September/October 2012). Mental time travel: Imagining your future with your memory. Poster, Faculty of Science poster competition & the University of Auckland Exposure poster competition (see Awards), Auckland, New Zealand.
5. **van Mulukom, V.**, Roberts, R.P., & Addis, D.R. (March/April 2012). Examining the effects of plausibility on the construction of future events. Poster, *Cognitive Neuroscience Society (CNS) conference*, Chicago, USA.
6. **van Mulukom, V.**, Roberts, R.P., & Addis, D.R. (December 2011). The effects of repetition on the simulation of past and future events. Poster, *Australian Cognitive Neuroscience Conference (ACNC)*, Sydney, Australia.
7. **van Mulukom, V.**, Roberts, R.P., Schacter, D.L., Corballis, M.C., & Addis, D.R. (July 2011). Hippocampal and Amygdalar Connectivity during Simulation of Novel Future events. Poster, *International Neuropsychological Society (INS) Mid-Year Meeting*, Auckland, New Zealand.

8. **van Mulukom, V.**, Schacter, D.L., Corballis, M.C., & Addis, D.R. (June 2011). Hippocampal and amygdala responses to novelty of future simulations. Poster, *Human Brain Mapping* (HBM), Quebec City, Canada.

Supervision

Ongoing

- 2019-curr. PhD student: Micia de Wet (third supervisor)
 2016-curr. PhD student: Jennifer Brown (fourth supervisor)

Graduated

- 2020-2021 Master's student: Georgia Dee (main supervisor)
 2018-2021 PhD student: Sarah Charles (second supervisor)
 2019-2021 Master's student: Charlotte Gunn (main supervisor)
 2016-2021 PhD student: Thomas Coleman Jr III (third supervisor)
 2016-2019 PhD student: Kyle Messick (third supervisor)
 2018-2019 Master's student: Ruairi Patterson (main supervisor)
 2016-2018 PhD student: Ivana Burić (fourth supervisor)
 2017-2018 Master's student: Wioletta Cartano (main supervisor)
 2016-2017 Honours student: Philo Tin Man (main supervisor)

Teaching

- 2021 Tutorials in Cognition, Language and Cognition, and Psychology of Religion and Spirituality for undergraduate University of Oxford students (Wycliffe Hall) at SCIO, Oxford (2020-2021 Hilary term; 2021-2022 Michaelmas term)
 2021 Lecture for PhD students: Doing Research during a Pandemic (CU)
 2020 Lecture for PhD students: Quantitative methods & statistics (CU)
 2012 Lecture for PhD students and postdocs: fMRI (UoA)
 2012 Tutor Biopsychology (20 second year students; UoA)
 2011; 2012 Tutor Perception and Cognition (20 second year students; UoA)
 2011 Poster seminar for Honours students (60 students; UoA)
 2008 Student assistant Introduction Generative Syntax (UU)
 2008 Student assistant Introduction Language Development (UU)

Lectures
